

Beheaded By Chloe

And my last day is the silence in
front of me

Beheaded
Beheaded like me
Beheaded
Beheaded
Beheaded like me

Long sharp blade and the tensions in
front of me

Beheaded
Beheaded like me
Beheaded
Beheaded
Beheaded like me

The voices are getting louder
I'm losing my power
My head is getting chopped off like
a flower!

Beheaded
Beheaded like me...

Stick is the blade
And the message is evil

Stick is the blade
And one message is illegal...

Beheaded
Beheaded like me..

Run ,run, run!
And the darkness is surrounding me

Cry ,cry ,cry...
And the blanket is hiding me

Beheaded
Beheaded like me..

Sigh ,sigh ,sigh
And the dark blanket is covering me

Beheaded
Beheaded like me
Beheaded
Beheaded
Beheaded like me..

Hide, hide, hide!
And Henry is calling me

Beheaded
Beheaded like me

Sun coming up
And the gruesome guards are
praising me

Out of the dark
And dumb Henry is raising me

Beheaded
Beheaded like me

Up, up, up
And the people are booing me

Beheaded
Beheaded like me

Drip.
Drip..
Drip...
And the blood is on the ground.

Beheaded
Beheaded like me...
